Onsite

Children under the age of 12 must NOT be left at WPA Mansfield without a supervising adult present at all times.

World Padel Academy does not accept responsibility for the supervision of children before or after organised and supervised sessions.

All children 12 and over should be collected from inside the venue.

Offsite

Children aged 12 years and over may only leave the venue unaccompanied with prior written consent from a parent or legal guardian.

A Parental Consent & Responsibility Form must be completed and signed in advance. By signing this form, the parent or legal guardian confirms they accept full responsibility for their child before, during and after their time at WPA.

Without a completed form, children will NOT be permitted to leave the venue alone. World Padel Academy is committed to safeguarding children and young people and operates in line with LTA Safeguarding Policies and Procedures.
